

MEETING MINUTES		
Project Name	StockMaster	
Meeting Name	Product Design	
Meeting Facilitator	Oluchukwu Ogana	
Meeting Details	We continued from our last meeting with three design options. Oluchukwu came up with case studies, low fi/handwritten sketches, Figma designs of the solution chosen and the group decided that the design meets the project’s needs and that would be the design for the project	
Meeting Invitees	Jaydon Forrester, Ebelechukwu Azu-Okonkwo	
Minutes:		
Topic	Summary of Discussion/Decision	
Product Design	Project design concluded by the team. We are going with our in-house built application system. Oluchukwu presented the figma designs and a mini design system for the team to use during development to promote consistency throughout the app.
