

MEETING MINUTES		
Project Name	Warehouse Inventory Management	
Meeting Name	Unit Testing	
Meeting Facilitator	Jaydon Forrester	
Meeting Details	Today we would be testing our app’s individual components and together as a whole. Some components were breaking when doing integrated testing, like the scanner and printer being integrated into the main project. But we fixed it and it was running smoothly. This meeting was short because we had a midterm	
Meeting Invitees	Oluchukwu Ogana, Ebelechukwu Azu-Okonkwo
