MEETING AGENDA

Project Name	StockMaster
Meeting Name	Frontend Development
Meeting Facilitator	Oluchukwu Ogana
Meeting Details	Backend changes made, integrated environment's work well. This week Ebele would start the frontend development. The home page HTML and CSS files are developed. Jaydon helped integrate these files with the backend. Oluchukwu inspected the styling and made some changes so it fits with the figma designs. More frontend to be expected next week Monday.
Meeting Invitees	Jaydon Forrester, Ebelechukwu Azu-Okonkwo.
