MEETING MINUTES

Project Name	Warehouse Inventory Management
Meeting Name	Debugging and Project Documentations
Meeting Facilitator	Oluchukwu Ogana
Meeting Details	Today we would be debugging and checking if any part of our code is broken and fixing this. We also made some design adjustments. Oluchukwu changed some styling and adjusted events. Jaydon tried fixing the scanner because it was not working again. Fixed that and the app was running smoothly. Project presentation by Oluchukwu.
Meeting Invitees	Jaydon Forrester, Ebelechukwu Azu-Okonkwo

Minutes:

Topic	Summary of Discussion/Decision
Debugging and Adjustments	Tested and made fixes. Made styling adjustments as well.
Project Presentation	Oluchukwu presented the project presentation to the group. Changes were suggested and taken into consideration
